

Nepean Masters Swim Club

Operating Procedure # 01 Effective Date: 11 April 2006, Revised August 9, 2011

Title: Membership Registration Payment Schedule

Purpose: To identify a membership fee payment schedule to reflect a year/season long commitment to membership with the Nepean Masters Swim Club, hereafter identified as NMSC.

Note 1: The NMSC swim year/season is normally from the first Tuesday following Labour Day in September to the end of the first week of June of the following year.

Note 2: As we have not held a waiting list for any of the groups for three years, and we have established minimum numbers required in order not to cancel a group (passed at the May 2011 AGM), priority registration is suspended for the time being. All registration is first-come-first-served. Priority registration may be reinstated in the future.

Payment schedule

Registration is not considered confirmed until payment plus any Masters Swim Ontario (MSO) registration fee as processed by NMSC on behalf of MSO are received in full. Payment must be made online using the NMSC registration system.

Payment Note

No swimmer will be allowed to swim until payment is received in full.
